

Substance Use Disorder Counseling - Clarity MHR

Alternate Name:

Category: [Counseling](#), [Individual Counseling](#), [Substance Abuse Counseling](#), [Addiction & Recovery](#), [Substance Dependency](#), [Family Counseling](#)

Organization:

Description: Individual, couples, and family counseling available. Individual counseling sessions are designed to address a client's specific recovery and/or mental health needs. Sessions may focus on trauma, sadness, grief, stress, loneliness and other factors leading to a cycle of addiction. Each patient is encouraged to have some couples or family counseling as well. Family therapy can be done with or without the primary client present.
